Subject Legislative Bill-SB1263 SD2 HD3 CD1 Relating to Tattoo Artists

Hello Ms  
Veillard,  
My name  
is Micheal  
Brown and I  
tattoo here in  
Hawaii at  
Skin Deep  
Tattoo in  
Waikiki. My  
license is  
#579 and I  
have been  
tattooing in  
this state  
since  
February of  
2000. I was  
also licensed  
in Hawaii  
from 1977 to  
1979. I  
learned the  
art/craft of  
tattooing from  
Michael  
Malone in the  
mid '70's and  
took the  
previous(or  
first) test for  
Tattoo Artists  
in March or  
April of 1977.  
Since that  
time I have  
been  
tattooing and  
because of  
Hawaii's high

No positive ramifications would occur from allowing a large convention to be put on here. I feel that allowing the number of participants for a trade show to 40 people, which this bill does, is in our island's best interest.

Also welcomed is the section on this bill pertaining to blood borne pathogen courses approved by the Health Department. I take the Alliance of Professional Tattooists blood borne disease prevention course every year now and feel that it is one of the best and most thorough course I have ever taken. By allowing temporary licenses to be

Thank you  
very much for  
considering  
what I had to  
say and  
taking the  
time to read  
my opinions  
on this bill.

Aloha nui loa,  
Micheal  
Brown
